

## Dismissal

## Inclement Weather Dismissal

In the event of “heavy or steady” rain or snow our dismissal procedure will change.

Please park in the Church Parking lot and wait there until the Crossing Guard signals for you to move into the School lot. (We need to allow the buses to get in first.)

After most of the buses are in place, you will be able to pull into the lot.

Cars may enter the parking lot by the driveway near the convent. Sister will be there to direct the cars where to park. The row of cars closest to the school is for those picking up ONLY PRE K students.

After the Pre K dismissal, those cars will be directed to leave.

The students will exit by way of the “primary hall doors.”

Please do not park along the convent or the side of the school. We need to be able to see everyone.

Please do not block the driveways or convent cars.

Please wait until you are given directions to move. **You must exit the driveway near the Rectory.**

Please be patient to ensure everyone’s safety.
